	- Comanda	
	SECRZE-	25X1
	eight 122-mm cuns left the installation	25X1
25X1 25X1	and eight new guns returned during the night of 5 December.  The following morning packing material at the ordnance shops which was not there the proceding evening, the guns had been	25X1
25X1 25X1 25X1	5. On 8 December, a total of about 40 senior lieutenants and captains were observed in front of the Priegsschule, with their baggage. The officers allegedly returned to the U.3.S.R., having served as instructors at the Officer candidate schools would be reduced in size in the spring of 1951 and that the officer candidates would be trained in the U.7.3.1. in the	
_	6. On 12 December, it was learned that the Carde du Corps Maserne was used primarily for storing motor vehicles, chiefly passenger cars. The garages were not occupied to canacity, however. The drivers were accommodated in the main building of the installation on Stalinellee, which had a capacity of about 150 men. About half of the windows of the building were lighted at dusk. Cate	25X1
25X1	(1) The former Unteroffizierschule on the cast side of Jacgeralice, called Gardejaeger-Eattaillon Haserne prior to 1918 and subsectionally also Infanteria Former	
25X1 25X1 25X1 25X1	have been occupied by not less than one company on 1 ovember and to have been occuried by about 500 troops officers in this installation was reported for the first time.  Officer training courses were need in the former Briegsschule.	25X1
	was substantiated  The order report indicates that the participants in the night courses at the interoffizierschule were possibly from	25X1
25X1 25X1	the installation as the 3d Garde- Camen Laserne in rrevious reports.  Other  only a Carde-Lianen Laserne. There are the former German lst Garde-Wlanen legiment on the south side of Pappelallee, east of Ruinenberg, and therefore also called Ruinen- berg Faserne; and the installation of the former German 3d Garde- Ulanen legiment on the South side of Ulanen legiment on the South side of the former German 3d Garde-	25X1
25X1 25X1	are usually called only Carde-Vlanen Maserne by local residents it is often impossible to determine the the unnerhous Maserne by local residents installation referred to in records.	25X1
25X1	the winerborg Taserne (the rorner Darde-Wisner Haserne) had been completely destroyed.  sonfirmed this statement,	25X1

TECKLE.

25X1

(3) The information agrees with previous reports on the Delius Kaserne

25X1

The information confirms the officer training courses in the Kriegsschule. The statement that the officer candidate schools in Germany were to be reduced in size and that officer candidates would be trained in the USSR requires clarification and confirmation.

25X1

(5) The information confirms a report of 16 September For a sketch of the Grade du Corps Asserne, see Annex.

1 Annex: Sketch on ditto
